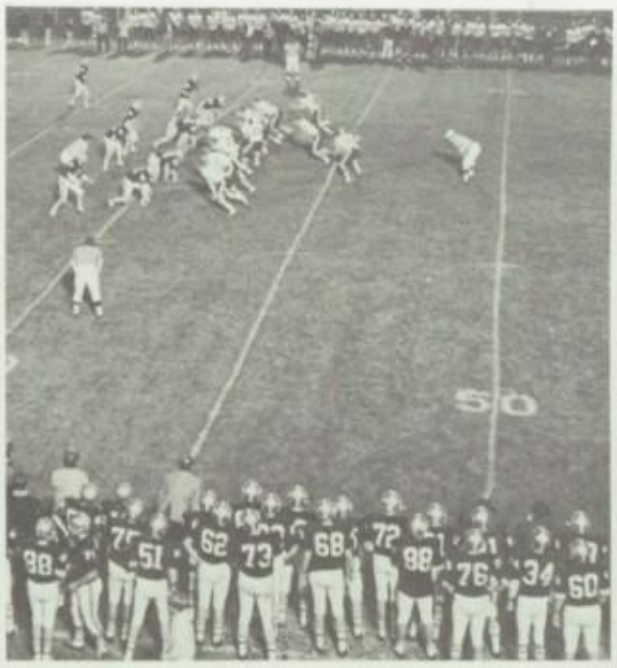
love, like a tree,
if shown constant care and steadfast patience,
will share itself:
when we are shocked or disgusted,
we may admire its beauty and behold goodness;
when we are hurt or troubled,
we may lean against its trunk and regain strength;
when we are hot or weary,
we may sit in its shade and become rested;
when we are afraid or lost,
we may take refuge in its branches and find protection



TREES

By

Joyce Kilmer

I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest
Against the earth's sweet flowing breast
A tree that looks at God all day,
And lifts her leafy arms to pray;
A tree that may in Summer wear

A nest of robins in her hair;
Upon whose bosom snow has lain;
Who intimately lives with rain.
Poems are made by fools like me,
But only God can make a tree.

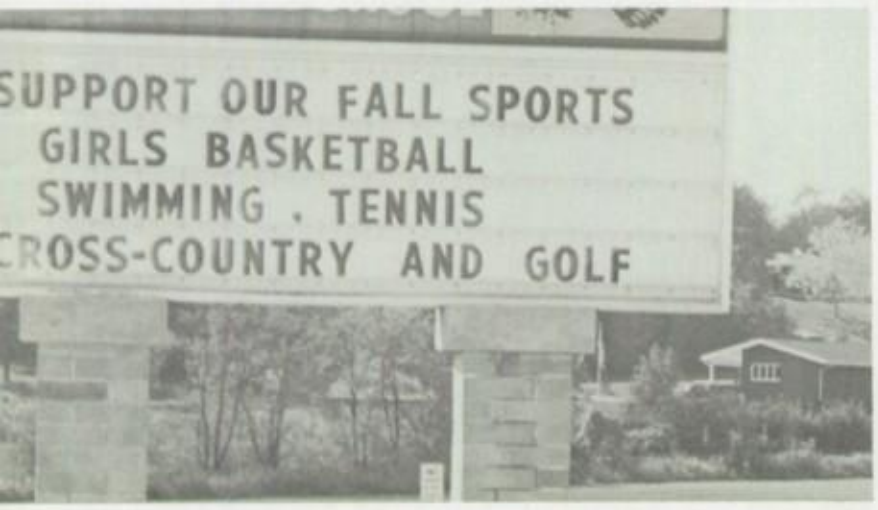
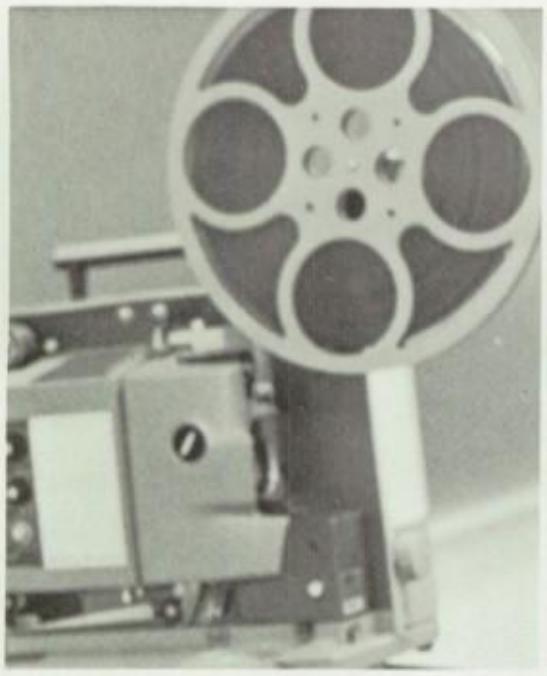
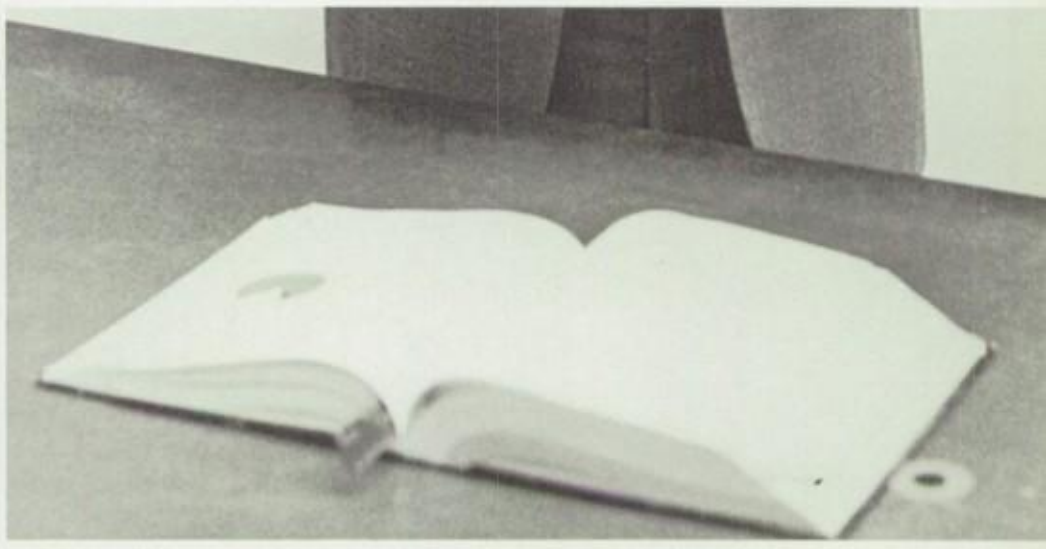
LOVE is steadfast,

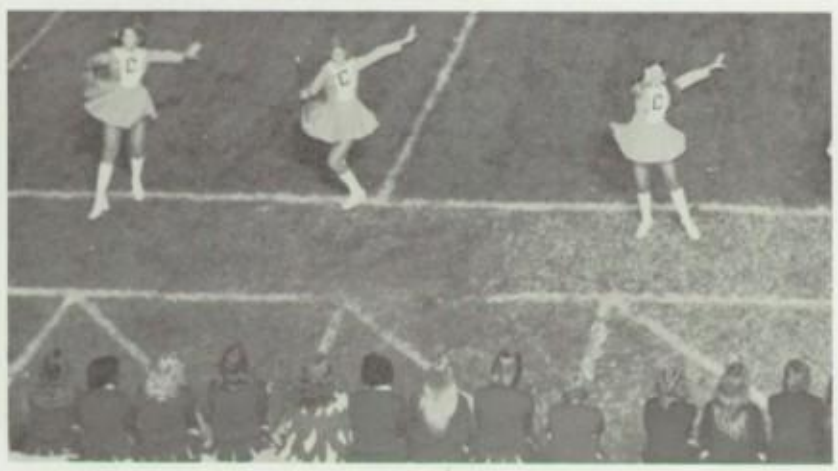


like a tree unwavering,



Nothing can cause its destruction:





LOVE like a tree, stands . . . forever.

NOURISHMENT

love, like a tree, must be handled
with caution, care, and patience:
for without this,
it will never realize its full potential
nor will it be able to benefit its
cultivators.

love, like a tree, needs a firm foundation
and a proper climate in which to grow,
so it will neither be crushed by the feet
of uncaring people
or washed away by the rains of the storms.

It has been said that the only thing in the world that remains constant is change. This would indicate that it is necessary for us to remain flexible and open-minded to new concepts and practices. This does not imply that all change is always necessary; however, it does suggest that we be highly perceptive in all situations.

In wishing the Class of 1977 the highest degree of success in the future for each individual, we hope you will be prepared to make wise choices.

Mr. Edward Miller
Guidance Counselor

Do you sometimes feel that it is useless to go to the guidance office? Often many students idly spend an entire period gazing into space waiting to see one of the counselors. For this reason, students feel that there should be more counselors added to the staff. It is impossible for three counselors to give proper attention to almost two thousand students. Hopefully some additions will be made to the present staff in order to help relieve the problem.

Frequently many people aren't given thanks or recognition for the jobs they perform. This is the case with those pictured here. Our school could not run properly for even one day if it weren't for them. For all they have done for us, the Class of '77 would like to say "Thank you".

love, like a tree, captures us:
once it has begun to grow,
we are elated—excited and anxious
to watch its unfolding.
we are sensitive to its needs
and share with it all that furthers its
growth
and makes its existence meaningful.
and when that first sign of growth
appears,
the joy in our hearts is equalled only
by the splendor and beauty of the
sign, itself.

The 1977 Falconettes played fourteen games with a record of 3 wins and 11 losses. Although there were only 3 recorded wins, the team had progressed greatly. Win or lose, the team's intense spirit and determination could be seen at every game.

The 1976-77 girls' tennis team won the first WPGIAL section championship in CAHS history during its second year of interscholastic competition. Naturally our team possessed tennis skills, but it was their sense of pride and determination to win, that brought honor to them and to our school.

The 1976-77 Boys swimming team is a good example of what unity means in sports. Records were broken in eight of the eleven events, and this year's team is the first unbeaten and untied team with a 15-0 Record. They also won the Section Four Championship.

The 1976-77 Falcons were a dedicated and determined squad. Being inexperienced in varsity competition, the tough exhibition schedule enabled the Falcons to be section contenders to the end, losing out by one game. On the exhibition schedule were two of the four finalists in the WPIAL, Baldwin and Norwin. In section play, the Falcons were 5-0 at home; but lost two games on the road to finish 8-2 and in second place. Leading the Falcons this year were seniors Dave Baker, Bill Coleman, Chris Fiano, Eric Fosselman, Sheldon Fox, Dave Herchko, and Dan Queer, and juniors Gene Cunningham, Dan Gallo, Brad Harshman and John Verbosky.

After working hard the Falcon wresting team finished on top, taking many wrestling titles. These skilled athletes started off the season by taking first place at the California Tournament held in December. The team went on and held their title as Section IV Champions for the 2nd year. Eight of the wrestlers became Individual Section IV Champions. The eight wrestlers are Jon Bartholomai (12), Barry Bryner (11), Mike Crocetti (12), Rick Hyatt (10), Dennis Kuhn (11), Mark Mitchell (12), Troy Soberdash (10), Bob Striner (11). CAHS has one wrestler that is a WPIAL finalist; Barry Bryner Connellsville ended their season with a record 12-2 dual match, taking a 26-3 record into State PIAA Tournament.

Cinderella Ball
1976

Enchantment in a land of castles, pumpkins, glitter and stars made November 24, 1976, a special night for those couples who attended the annual Cinderella Ball. Dancing to the sound of Long Distance, munching cookies and drinking punch were part of the excitement of the evening. As a finale, Miss Lisa Laugherty was crowned this years Cinderella.

Winter Wonderland

Have you ever visited a winter wonderland? On December 24, 1976, from 8:00 to 11:00, couples danced their way through a land of snowflakes, Christmas trees and Santa Claus. The dance was sponsored by the Newspaper Club and music was provided by Bar Flier.

Reward for Service

On sweetest lines those to duty wed
Whose deeds both great and small
Are close-knit strands of an unbroken thread
Where love enables all.

A poor man served by thee small make thee rich
A sick man served by thee shall make thee strong
Thou shalt be served thyself by every sense
Of service which thou renderest.

CAHS FALCON MARCHING BAND!

The Falcon Marching Band composed of approximately 170 members including flag bearers, majorettes, and field conductor, performs for football halftimes, parades, and festivals. The members practice the last two weeks of August and after school daily, which accounts for the excellence of their performance. From Basin Street to In-A-Gadda-Da-Vida, the Charleston to the bump, they have marched their way into many a heart. We can be extremely proud of our band this year for they represented us in Winchester, Virginia at the National Apple Blossom Festival!

STUDENT COUNCIL

Student Council sponsers many activities that take place during the school year. This year two special events were held. On December 20, 1976, the Red Cross set up a blood bank in the CAHS gym, where students donated their blood. Later in the year an assembly was held, featuring three professional athletes in competition with our own CAHS athletes. Congratulations to our boys for being the first team to defeat the Athletes in Action!

INTERNATIONAL BANQUET

The French, Spanish, and German classes combined for the first time into an International Banquet which was held on December 8, 1976. The meal was composed of some food from each country. After the dinner we learned dances, songs, and bought things at different shops from the different countries. Some of the classes put on skits and told about their language. To end the evening was the excitement of breaking the pinatas.

Class Song "Circle Games"

Yesterday a child came out to wonder,
Caught a dragonfly in a jar.
Fearful when the sky was full of thunder,
And a tearful at the falling of a star.

Chorus: And the seasons they go round and round.
And the painted ponies go up and down. We're captive on a carousel of time. We can't return we can only look behind from where we came, and go round and round in the circle game.

Then the child moved ten times round the seasons,
Skated over ten clear frozen streams.
Words like "when you're older" must appease him,
And promises of someday make up his dreams.

Chorus: And the seasons they go round and round.
And the painted ponies go up and down. We're captive on a carousel of time. We can't return we can only look behind from where we came, and go round and round in the circle game.

Sixteen springs and sixteen summers gone now,
Cart wheels turn to car wheels through the town.
And they tell him take your time it won't belong now,
Till you drag your feet to slow the circle down.

Chorus: And the seasons they go round and round.
And the painted ponies go up and down. We're captive on a carousel of time. We can't return we can only look behind from where we came, and go round and round in the circle game.

The years spin by and now the boy is twenty,
Though the dreams have lost some grandeur coming true.
There'll be new dreams, maybe better dreams and plenty,
Before the last revolving year is through.

Chorus: And the seasons they go round and round.
And the painted ponies go up and down. We're captive on a carousel of time. We can't return we can only look behind from where we came, and go round and round in the circle game.

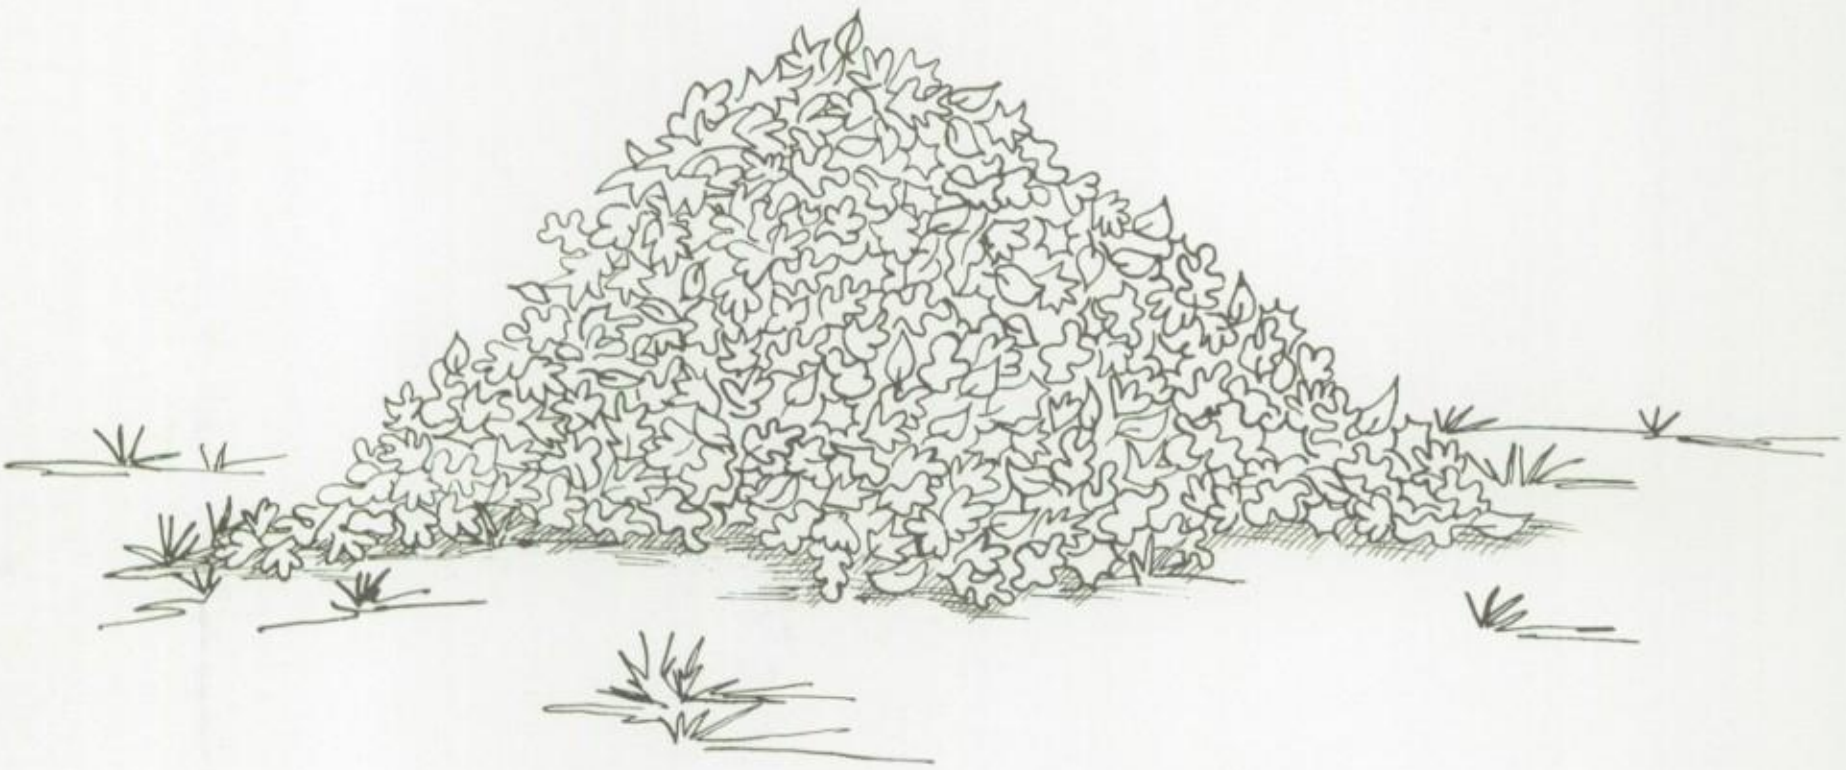
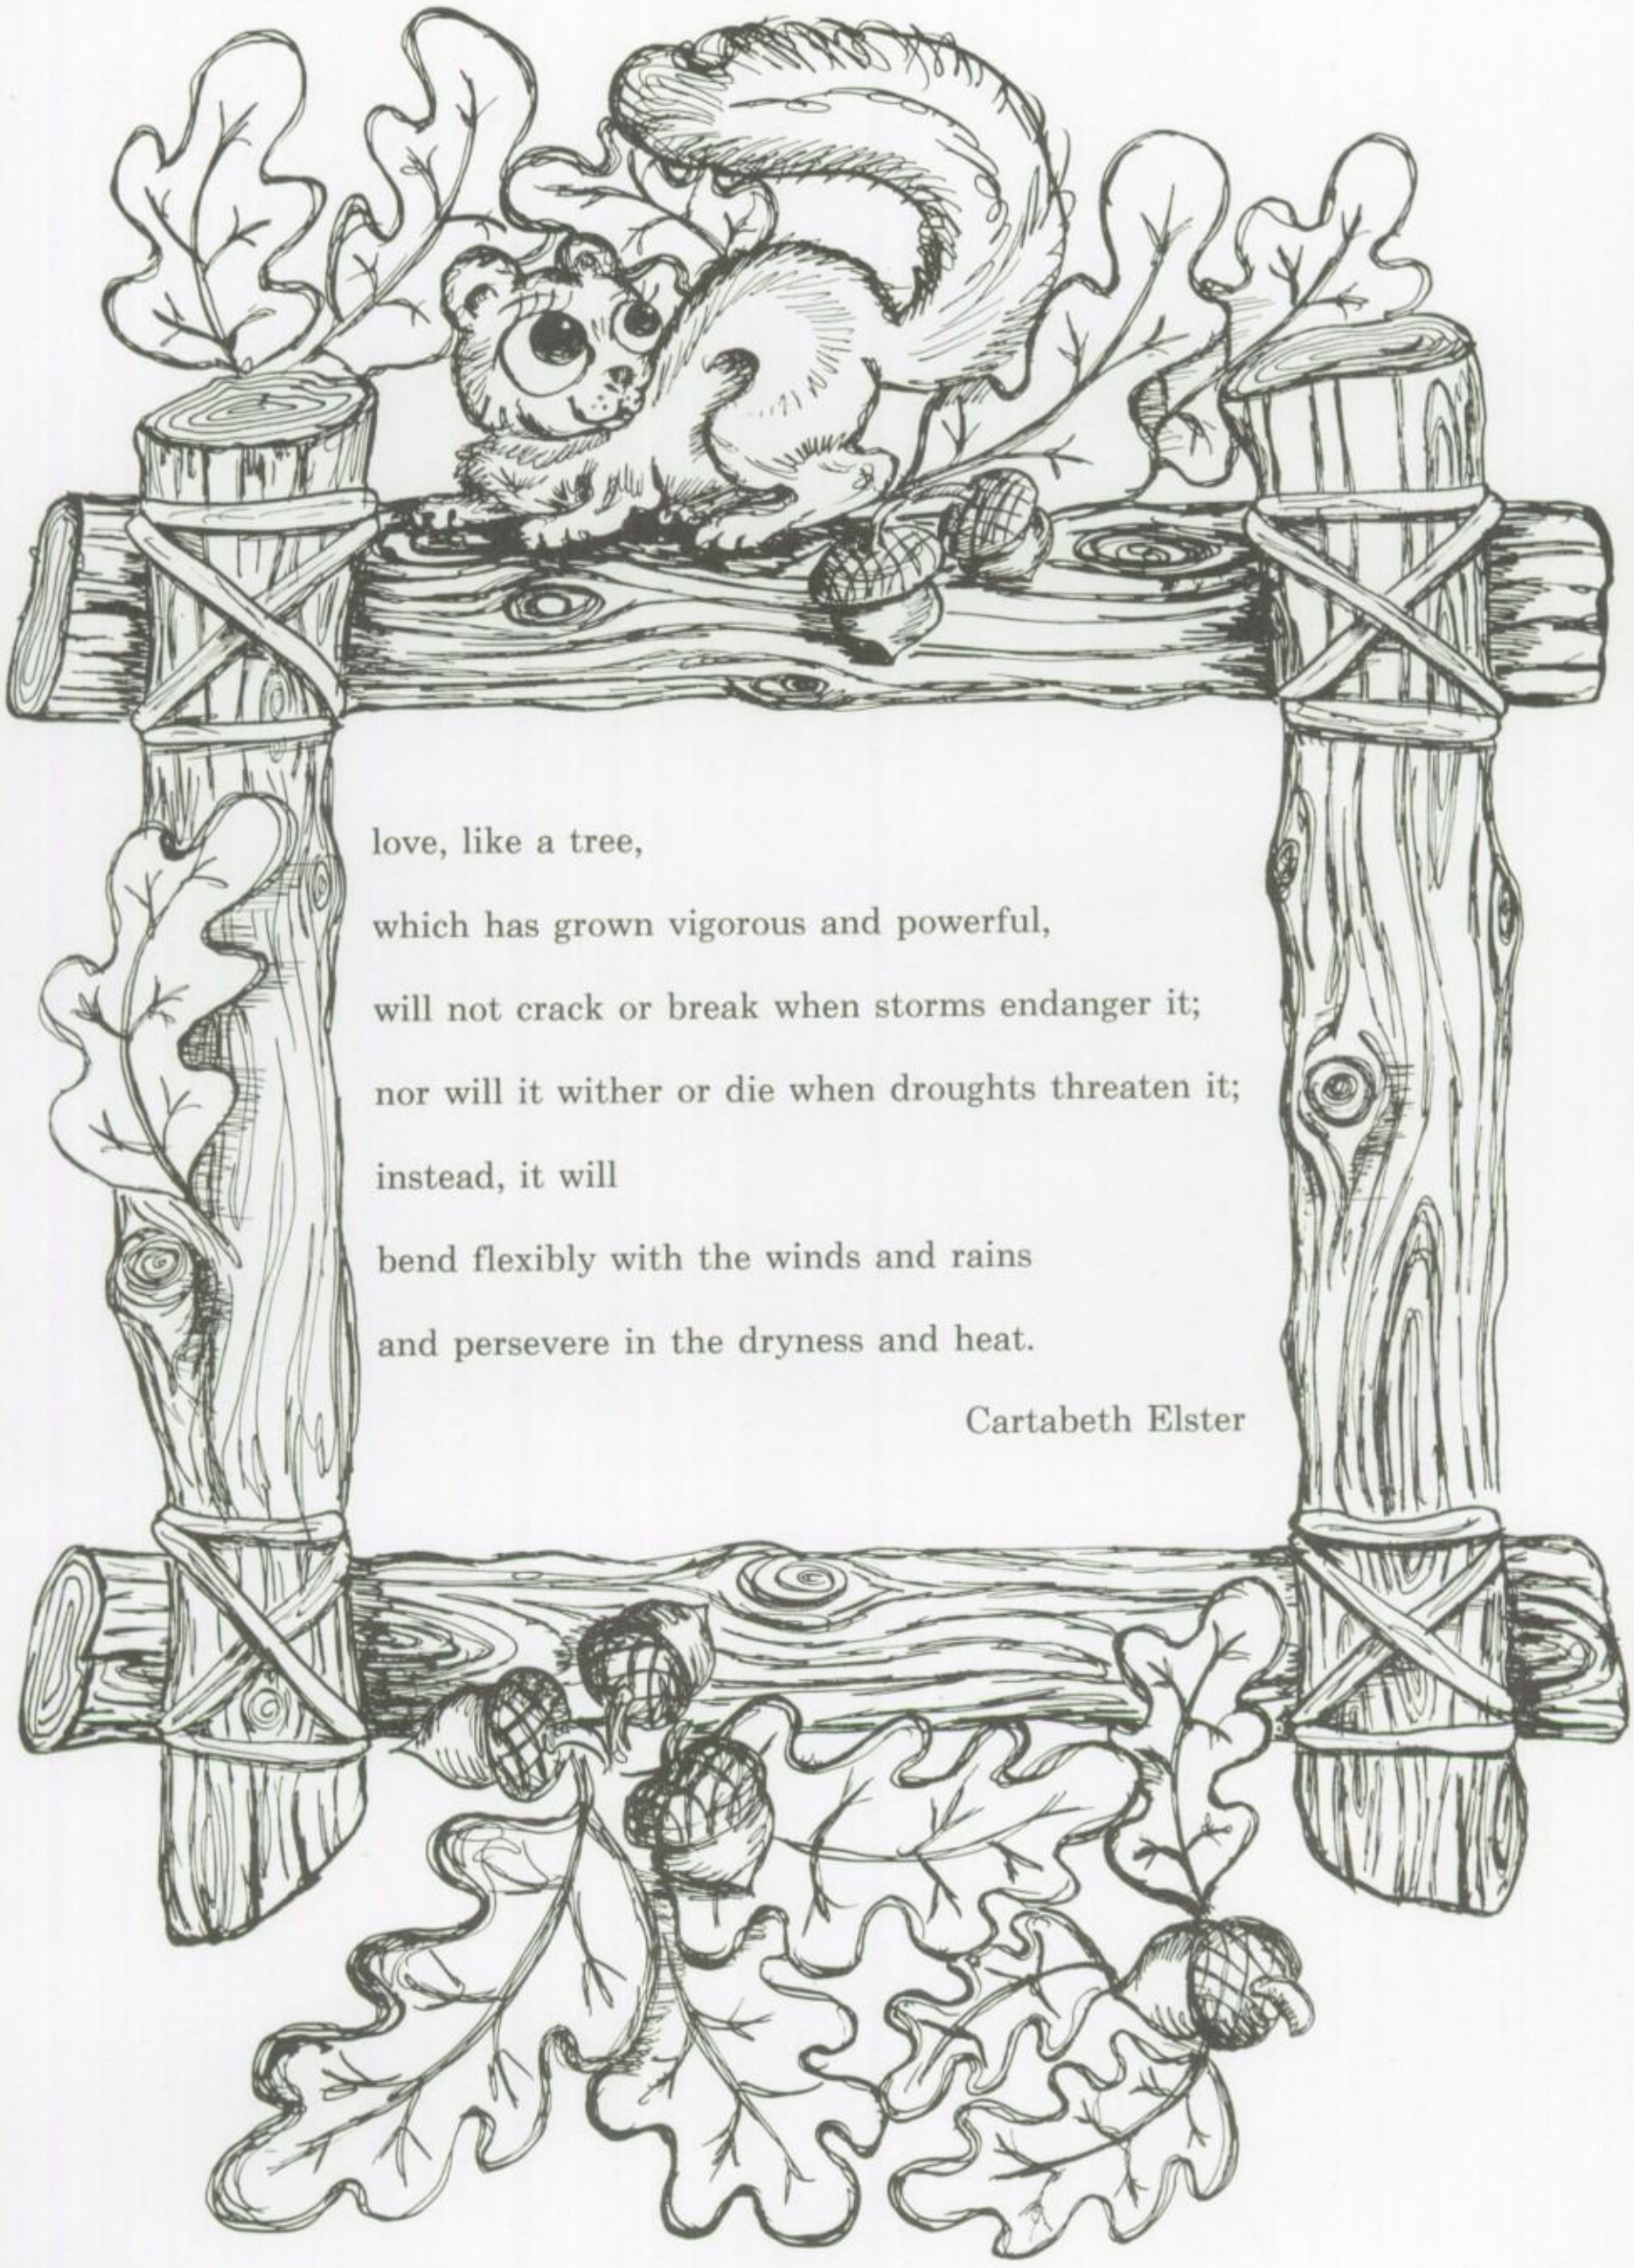
Remember,
this book was
once a tree...





love, like a tree,

which has grown vigorous and powerful,

will not crack or break when storms endanger it;

nor will it wither or die when droughts threaten it;

instead, it will

bend flexibly with the winds and rains

and persevere in the dryness and heat.
